Letter from the President

Members, I want to tell you all how I appreciate, and how humbling it is for me, to be elected Club President for this year. It came as a big surprise as I am not always able to attend all the events. A big Thank You to Michael Loughran, our very popular out-going President, for his good wishes and for doing such a great job over the past two years.

The Model T Club continues to grow in numbers and I want to welcome all our new members and their families. It is important that everyone feels part of the "T family". It is now a Club with members from all over Ireland and beyond. Great news.

We have another exciting year ahead. David and Marian have started the season off with their usual very successful and enjoyable Spring Run in Adare; everyone looks forward to this, the first run of the new season. Thank you David and Marian. Thank you also in anticipation to all members to have organised the day events. Sometimes we take for granted the work, albeit enjoyable work, to organise such an event. The Annual Rally this year is based in Westport, organised by Thomas Conor. I am looking forward to this and am sure Thomas will treat us to some wonderful scenery around the Wild Atlantic Way. May I suggest that you book this great weekend as soon as possible.

As a Club we must always be mindful of our own safety and that of other road users. Sometimes other motorists are not always aware of the mechanism of the T braking system. Thank you again for the opportunity of being your president and I will do my best to make sure everyone is made welcome.

Yours sincerely

Raymond Megaw

Sir
We are preparing for our 42nd annual steam threshing festival which will be held on 13th August 2017. We would welcome a special display of Irish Model T Cars, where we are celebrating 100 years of Ford in Ireland. I hope that this suggestion will appeal to your members. Our contact is Seamus Govern 087 966 2727.

Sir
My name is John Mulcahy, and I am the PRO of Courtbrack Vintage Society. We are a club based in Cork, about 5 miles from Blarney. I understand you were speaking to John Roche, Secretary of our club, earlier today in relation to the vintage Ford Road Run we are organising as part of the Ford centenary celebrations. I am attaching a poster with some information about this event which you might please pass on to your members. Given that Model-Ts were one of the first cars made by Ford, and that the last Model-T ever built came out of the Ford factory in Cork, we would be delighted to have your club attend our event.
If you have any further queries, you can email me, or ring John Roche who you spoke to today.

Kind Regards,

John Mulcahy | Courtbrack Vintage Society

Sir

We have very fond memories of the special day we spent with you on the Cork Run in May last year! Thanks again for your hospitality and welcome. Our 1915 runabout continues to chug along quite nicely, although I do need to attend to a slight leak from the welsh plugs. The bigger project of replacing the temporary (10 years) body is still not quite happening yet. Weather here has been variable - many hot 40+ degrees Celsius days followed by a couple of weeks of rain. Best wishes to you all on St Patrick’s Day and for your imminent summer motoring season. NB - contact us if anyone is coming to Sydney.

Regards

David and Kate | Sydney, Australia

History of our Club

In the early 1980’s John Boland, a main Ford Dealer in Co. Wexford, and an owner of three Model T Fords, was a regular visitor to Hershey auto-jumble in USA. Whilst there he came in contact with members of IMTFC and joined up in 1983. He was encouraged to set up an Irish branch and influenced by his wide Rita, John decided to act. He called a meeting in New Ross. Present were Tim Crowley, Seamus Kelly, Gerry Furlong, Johnnie Byrne and Tom Byrne – all Model T owners. John Boland was appointed first President and Tim Crowley first Honorary Secretary.

The Club’s first rally was held on 6th August 1990 in Co. Wexford and visited many places of interest. A total of 8 cars participated. An annual rally has been held ever since in every part of Ireland. Club membership has grown in the intervening years as has the stock of members’ hardware. Members of The Model T Ford Register of Great Britain visited in 1996 and a joint rally of the two clubs took place in Cork Kerry region.

3. NOTICE CONVENING THE MEETING was circulated in advance by at least 21 days to all members together with a short form edition of the financial statements for the year ended 31st December 2016.

4. TP BRADY ob 15th August 2016. The Secretary noted the death of TP, a long standing member who died last summer and whose obituary was published in the autumn edition of our newsletter. The meeting passed a vote of sympathy and their condolences to his widow, daughter and sons.

5. SECRETARY's report was read out by W. Cuddy. 2016 was another active year for our Club. We increased our membership, kept our web page up to date and published our bi-monthly newsletter in the Spring and Autumn of 2016. He paid tribute to our President Michael Loughran for his leadership, who this year completes his send year in office. He leaves his position in the secure knowledge that our club is safe, strong and secure.

He thanked the organisers for their input namely:

- In March John O’Neill organised the AXA – IVVCC Classic Car Show
- In April David & Marian Cuddy brought us to Adare
- In May Tim Crowley to West Waterford
- In June John O’Neill to Kinsale
- In July John Hendy & Paul Murphy at Stradbally
- In August Bob Clarke to Sam’s Cross
- In September Sean McEvoy at Portlaoise
In October many of us attended the Brass Brigade in Dungarvan with grateful thanks to IVVCC and Shane Houlihan. The Club appreciates the continuing efforts of Lorraine Dunne in managing club clothing, introducing new lines and keeping the stock and sales records in order.

6. TREASURER's report was read out by Timothy Keane. In 2016 we report a small surplus leaving our cash reserves standing at €8,000 which figure is necessary to maintain adequate working capital should we embark on another international event in the next year or so. Our Club is happy to operate at breakeven or a small surplus thus giving Members excellent value for money. He asked all to make a special effort to pay their annual subscriptions sooner rather than later. For the future, all outbound mail from our club will include a statement of account for the relevant year and where a member’s subscription lapses, we will withdraw mail circulation. At €10, our subscription works, provided we all chip in as we should do.

7. PRESIDENT's REPORT was then presented by Michael Loughran. He and Rita have enjoyed their second year as President. Members made them feel very welcome at all times. He thanked everyone for their support. As he leaves office, he said our club is in good standing with fiscal reserves, membership and active committees.

8. ELECTION OF OFFICERS then took place
   - President – Raymond Megaw
   - Honorary Treasurer - Timothy Keane
   - Honorary Secretary - William Cuddy
   - Chairman – Vincent Kelly

9. Committee members - David Cuddy, Tim Crowley, Robert Clarke, Thomas Connor, Marcus Molloty, Peter Duffy, Bernard Duffy, John Hendy, Paul Murphy, Sean McEvoy and Lorraine Dunne.

10. ANNUAL RALLY - It was noted that the 28th annual rally 2016 will take place at Westport, County Mayo organized by Thomas Conor and Marcus Molloy. The 29th annual rally will be based in Killarney, County Kerry and will be put in place by Matthew Byrne and Timothy Keane. The 30th annual rally will be based at Enniskillen, County Fermanagh courtesy of George Fulton.
11. CLUB CLOTHING – Vincent Kelly reported that Lorraine Dunne has a full array of clothing for Members which is on offer at cost. It would be appreciated if members would email their stock orders prior to our events where items may be picked up. Everyone will understand the new family commitments of two toddlers. Members again expressed their appreciation of Loraine’s efforts.

12. WESTPORT 2017: Thomas Connor addressed the AGM. Plans are afoot to host the 28 annual rally at Westport. The Wild Atlantic Way, now a world class coastal drive, it on hand for us to experience for the duration of our stay. Those with a little extra time should take time off to explore the Mayo countryside and help is on hand to provide routes to suit whatever taste. Our rally base is at Westport Hotel where good value has been negotiated. Our banquet takes place on Saturday evening. Every effort has been put in to make sure that we have a safe and enjoyable experience in County Mayo in July.

13. CALL FOR NEW EVENTS – This year and next, there is a call out to members to relieve some of our existing long standing organisers. We are asking members to volunteer their services and put on a day or week end run in their own locality. Interested members to get in touch with the Secretary where communication and awareness support will be forthcoming.

17. THERE BEING NO FURTHER BUSINESS the meeting then ended.

### Henry Ford’s Axiom

In 1914 Henry Ford, founder of Ford Motors, doubled his workers wages to $5 per day. The reason for this increase is disputed, as some say it was to keep his workers from quitting, others say it also made his workers purchase the cars they made. In his 1926 book, *Today and Tomorrow*, he writes “the owner, the employee and the buying public are all one and the same and unless an industry can so manage itself as to keep wages high and prices low, it destroys itself; for otherwise it limits the number of its customers. One’s own employees ought to be one’s best customers.”

This axiom has remained timeless and relevant all through economic development.

### Spring Run – Adare

The first run of the 2017 season took place in Co Limerick on Sunday 23 April 2017. Hosted as usual by David and Marian Cuddy, together with their family, this run kicks off the year of runs for the T enthusiasts. As always, it is a much...
looked forward to event as it signals the end of winter and the promise of brighter and longer days. A great turn-out of 25 Model T Ford cars gathered in Adare for the tea, coffee, scones and other goodies on offer before we headed off. This was the largest turn-out for a one day event. Cars were presented in tip top condition and gleaning in the spring sunshine. The sky was blue and the day was bright and mild as we sallied forth on the planned route of the County Limerick highways and byways, more byways than highways. The countryside was looking so fresh as we drove along. Springtime is such a beautiful time. Nature is waking after her Winter sleep and the trees are beginning to turn that lovely pale green as the leaves appear across the entire landscape. Primroses are dotting the banks along the roads and there were clumps of bluebells to be admired also.

Our first stop was the Old Irish Ways Museum near Meanus. This award winning museum represents a true and unique reflection of a forgotten Ireland. A truly amazing place, it brings back memories of schooldays in a classroom of bygone days, an old blacksmith forge, an old style pub, which incorporated a shop, a carpenter’s workshop and a huge display of household items of a bygone age plus old tools and farm implements. For the motoring enthusiast, there are displays of motor oil cans, advertising signs and all sorts of other memorabilia, not forgetting a 1964 Massey Ferguson tractor. A fascinating trip down memory lane and well worth the visit.

We were introduced to an old gentleman who was born in 1925 and requested if he may sit in a vehicle in the year of his birth. Pat O'Shea (92) was introduced to Pat Daly who welcomed him aboard his 1925 Fordor saloon. Pat told our writer that when he was a youth, people would stand, stare and admire a motorcar whenever it passed on the road, as for the most part transport was provided by the humble donkey and the noble horse. Nowadays, he says, things have changed and the mere
sight of a donkey is a show stopper. He recalled the story of a journalist who asked Mr. Henry Ford of the successful ingredient to a long and happy marriage and his reply was that he stuck to just one Model T.

After our traditional group photo, we left the Museum and made our way to our next stop, the Bake House Restaurant in Bruff. We enjoyed an excellent Sunday lunch in this popular venue, while our parked T's provided much interest outside. There were cameras snapping happily and of course many "selfies" with the ever present mobile phone.

For year 2017 our club will present organisers with a turned traditional Irish platter. Last year it was bowls made of native Irish beech. Our Club Chairman Vincent Kelly made a presentation to David and thanked him on our behalf. David responded and said he was blown over with the support from so many to come to Adare
for the run and hoped we enjoyed the occasion. He and Marian look forward to
another such event next year.
The secretary conveyed the best wishes of our Chairman Raymond Megaw who
would have liked to be amongst us in Adare but other matters got in the way. So
too for two other members who would be regulars on the spring run.
A special welcome was extended to Adrian and Caroline Violett who recently
joined up as members and were on their maiden voyage with their 1919 Touring
Car. A temporary loan of a coil, failure detected by Eamon Dunne, ensured a
faultless Sunday journey. We hope that they get hooked on Ts and join in on
another outing with us.

Something will have to be done about members failing to respond to invitations
to events. Our hosts had booked 35 places for Sunday lunch. In the end 68 peo-
ple were fed to satisfaction. Our secre-
tary thanked the 13 car owners for re-
sponding which was a 50% re-
sult. Room for improvement members!
We made our way back to Adare on de-
lightful roads well suited to our
cars. We can safely say there were no
hills to tackle on the route.
A big thank you to all involved in this
great run. Our excellent motorbike
stewards, John O'Connell, Paddy Loftus, Larry Power, Ger Toomey, Mike Do-
noghue and Pat Mulcahy. Great work lads. Safety is paramount especially with
100 year old cars for many reasons and good people acting responsibly at vari-
ous junctions make driving Edwardian cars even more pleasurable.
Our Tail-end Charlie, John O'Shaughnessy who thankfully was not needed, but
good to know he was there, was omnipresent keeping a watchful eye on partici-
pators. John has provided this service for us for a long time and we really appreci-
ciate his efforts. Next time we better make an effort to thank him publicly for
his time and interest in us.
Last word to David, Marian and family; there was a record turnout, a reflection
of your generous and welcoming hospitality; we truly had a wonderful day.
Congratulations

John O’Neill and Robert Clarke for representing our Club on the occasion of Mr. William Clay Ford jnr’s visit to Ballinascarthy.
